Zeina Sherif

INSTRUCTIONAL DESIGNER | LEARNING & DEVELOPMENT

Professional Summary

Learning & Development Specialist with experience designing, developing, and facilitating live and virtual learning programs across corporate environments. Skilled in applying ADDIE, conducting TNAs, managing LMS platforms, and partnering with leadership to align training initiatives with business goals.

Work Experience

Learning and Development Specialist 2025 - Present

Centro

- **Instructional Design & Content Development:** Designed, developed, and facilitated live and virtual training programs, workshops, and e-learning modules using the ADDIE framework.
- **Learning Materials:** Developed facilitator guides and storyboards, job aids, and learner handouts to structure delivery and support workplace application.
- **Interactive Learning:** Designed practical learning activities incorporating gamification, and role plays.
- **Training Needs Analysis:** Partnered with cross-functional leadership to conduct Training Needs Analysis (TNA) and bridge skill gaps aligned with business objectives.
- **Assessment & Evaluation:** Applied pre/post-assessment approaches and Kirkpatrick's evaluation model to assess learning effectiveness and apply improvements.
- **LMS & Digital Learning:** Managed Moodle administration and supported the organization and delivery of digital learning content.
- **Learning Operations:** Coordinated vendors, purchase requests, training logistics, and learning calendars to support smooth program delivery.
- **Competency & Development Frameworks:** Supported department heads in developing Individual Development Plans (IDPs) and competency matrices to support talent development and succession planning.

Corporate Trainer 2022 - 2025

Teleperformance

- Facilitated live and virtual training sessions.
- Used role plays, simulations, interactive exercises, and gamification to create practical, application-focused learning experiences and strengthen knowledge retention.
- Customized learning content and activities based on learner needs and business context.
- Managed high-volume corporate training environments while maintaining strong learner engagement and participation.
- Consistently achieved "**Exceeds Expectations**" in training satisfaction surveys.

Exchange Participant 2023
AIESEC in Bursa
